

**Peristaltic Pump Silicone Platinum Cured
FDA-USP VI Clean-Room Double Pack**

APSPG

Class VI, platinum-cured silicone elastomer comprises AdvantaPure's peristaltic pump grade silicone tubing. Ideally suited for pharmaceutical, biotech, and laboratory environments, AdvantaSil APSPG is specially formulated to withstand repeated compression and release for consistent, dependable performance far outlasts standard silicone tubing. AdvantaSil APSPG pump tubing has undergone extensive physical, chemical, and biological testing, and meets USP Class VI, FDA CFR 177.2600, ISO 10993 and European Pharmacopoeia 3.1.9 standards.

AdvantaSil APSPG is not intended for implantation, continuous steam applications or elevated pressure levels..

KEY FEATURES

- Particulate testing per USP 788 is performed quarterly
- All assembly and final packaging of extruded tubing is performed in an ISO Class 7 clean room
- Special formulation promotes extended life in pumps
- Outstanding compression characteristics - snaps back to original form
- Smooth surfaces offer uniform fluid flow and resistance to bacteria build-up
- Advantasil APSPG tubing is USP Class VI approved
- Material meets FDA 21 CFR 177.2600
- Low volatile grade suitable for pharmaceutical and diopharm applications
- Translucent for visual contact with the flow
- Certified free of animal-derived ingredients
- Maximum operating temperature: 400°F (204.4°C)
- Brittle temperature: less than -100°F (-73.3°C)
- Sterilizable / autoclavable
- Documented lot traceable with identification on bags
- Documented quality control
- AdvantaFlex® biopharmaceutical grade tubing also available - heat sealable, weldable and mold able

Sold by standard coil length only. Add length suffix code to product number when ordering - see the Coil Length Legend at right for length suffix codes.

Example: 25 ft. of 0.031 in. I.D. x 0.156 in. O.D. tubing is product number APSPG-0031-0156P. Non-listed sizes and custom lengths are available by special order.

Coils are supplied double dagged in heat-sealed polybags and bulk packed. Contact your Advanta Pure Sales Representative for other packaging options.

Coil Length Legend:

P = 25 feet

L = 50 feet

PURITY IN FLUID FLOW SYSTEMS®

AdvantaSil APSPG is part of a complete line of products for the Pharmaceutical, Biopharm, Chemical, and Food industries. Items available include...

- Unreinforced platinum-cured silicone tubing and braid-reinforced silicone hose
- Wire and mesh reinforced, mandrel-wrapped, platinum-cured silicone suction hose
- Stainless steel overbraided PTFE hose and EPDM hose
- Weldable and sealable Advantaflex® biopharmaceutical grade TPE tubing
- Sanitary fittings and complete hose assemblies including molded silicone ends
- Silicone injection molding capabilities - molded manifold assemblies & BioClosure® container closures

Made in U.S.A.
